

## Working together

Whilst parents and students can discuss progress with staff at any stage during the year, there are two parents' evenings which include the discussion of a written progress report. These parents' evenings will take place in late Autumn and in the Spring.

There are many key moments of decision during your time at college and we seek to support you in these and we encourage the involvement of those who support you at home.

Early in the first term the Principal and Senior Management Team welcome all new parents to the college for an evening of information and discussion.

“ I've really enjoyed my time at Regent... I know I'm going to achieve great things here. ”

## Jyotika Babu

“I do Business and ICT. My teacher is brilliant at explaining things and really supportive and my classmates are also friendly.”

“Apart from my subjects I enjoy sitting outside with my friends, and I love my Zumba enrichment class.”

“I've really enjoyed my time at **Regent** and the college has given lots of support; I know I'm going to achieve great things here.”

## Kaine Allen

"I like Business the most because I hope to open my own business in the future. English and Maths are important to me, though: they are vital for a business's development, and give me other options for the future."

"One of my favourite aspects of college life is visiting the gym. I have a membership and go whenever I'm free, because it clears my mind and re-energises me."

"It's great to go to a college with up-to-date facilities."

Going on to study:  
**Engineering at University**

“It's great to go to a college with up-to-date facilities.”

Going on to study:  
**Philosophy, Ethics and Religion at University**

## Emily Smith

"I'm doing A levels and my favourite subject is either Sociology or Religious Studies; they open my eyes to society's issues and give me a broader perspective."

"My teachers are friendly and easy to talk to, and help me whenever I need it."

"Outside of my subjects I thoroughly enjoyed my enrichment, creative writing, and the college in general has a relaxed, amiable atmosphere."

“My teachers are friendly and easy to talk to, and help me whenever I need it.”
