

Exam resits – Summer 2019

Resits are now available to be purchased via your WisePay account.

For exams that you sat this summer please look under the 'Exam payments' section, click on the 'View details' button and purchase which subjects/units you wish to resit. Please note that for linear specifications you will have to resit all the exam papers, you cannot 'mix and match' as with modular subjects.

If you wish to resit a module that you sat in 2017, and which is not showing on this section, you will need to look in the Shop section and go to the Modular Exam resits Summer 2019 - EXTERNAL STUDENTS ONLY item.

After you have purchased your module(s) please complete and return the attached form to the exams office exams.ur@wqe.ac.uk

It would be useful if you change your student email address to your personal email address before you make your purchases as we will then have current contact information.
