Meet our support teams

Welfare and Skills

led by Aaron Winterton

Do you have a learning need? Dyslexia? Exam anxiety? Depression? We are here to help. Even if you have not previously had

CIS Team

led by Rebecca Perry

Any questions regarding the administration of your timetable or changes that need to be made (authorised via your PPM)

PPMs

led by Rakesh Naik and David Morgan

Your Personal Progress Mentor provides 1-2-1 support to ensure you have everything you need to succeed. They monitor

support you can always email welfareandskills@wqe.ac.uk to discuss any learning needs. We provide a suite of support. We provide our own, free counselling service.

including enrichment choices email database@wqe.ac.uk.

academic progress and deliver vital skills sessions required for life after college. They also support your UCAS application. Each PPM has a direct contact telephone number and email.

Student Services

led by Helen Devine

If you have questions regarding a bursary application, enquiries about student societies or you have a general query please email student.services@wqe.ac.uk or come and see us behind reception (UR and R buildings).

Equality and Diversity Forum

led by Dan Smith

We have a brand-new online forum to celebrate our differences and explore how we could make our College a better place for every single individual within our community. Check our website for details of the next event.

Feel free to use one of our contemplation spaces any time you are not in lessons during college hours.

IT Services

led by Roger Laurenti

If you have an IT issue (can't log on, access emails, use Microsoft Teams) email IT services ITHelpdesk@wqe.ac.uk.

The IT team can support you remotely as well as when you are on site.

Why not book yourself a quiet place to study or a computer during the college day?

<https://outlook.office365.com/owa/calendar/BookingELT@wqe.ac.uk/bookings/>

If you do not have access to IT facilities at home, please inform your PPM.

Check out one of our regular Webinars tackling a variety of different topics including – see our website for events each week, tap in from wherever you are.
